

Thomas Crow
CS120 Final
Question #4

A screenshot of a terminal window with a dark background. At the top, the title bar shows three small circles on the left and the text "tbcrow@s1034076:~/Documents/ENMU/CS120/Exams/Final" on the right. The main area of the terminal displays a command prompt "tbcrow@s1034076" followed by the path "~/Documents/ENMU/CS120/Exams/Final", a shell prompt character "!", a status indicator "main • ?", and the command "python3.9 Thomas_Crow_CS120_Final_Q4.py". On the left side of the terminal, there is a white dashed-line drawing of a house. The house has a triangular roof, a rectangular body, and a smaller rectangle inside representing a door. A single asterisk "*" is positioned to the right of the door. At the bottom of the terminal, another command prompt "tbcrow@s1034076" is visible, followed by the same path and status indicators, and a cursor icon at the end.
